Navi Mumbai, India | swetagupta3041@gmail.com | +91 9152600903

Experienced digital marketer with 3+ years in SEO and content, integrating traditional growth strategies with a growing interest in Web3. Dedicated to creating impactful campaigns, scaling engagement, and learning in innovative digital spaces.

## PROFESSIONAL EXPERIENCE

**Product Marketing Manager- Thalia Technology** **December 2025- Present**

- Designed and deployed company websites and landing pages using Cursor, Lovable, and Claude, cutting dev dependency and accelerating time-to-publish by 60%.
- Architected a complete 7-step blog production workflow on Kimi Code CLI, enabling the team to publish 30+ well-researched, SEO-optimized blog posts with integrated LinkedIn distribution assets (hook posts, carousel outlines, quote cards).
- Curated and deployed modular marketing skills from skills.sh and internal skill libraries to automate repetitive tasks, standardize output quality, and improve daily execution efficiency across the marketing team.
- Executed comprehensive SEO strategy, technical audits, on-page optimization, keyword research, backlink acquisition, and content clusters resulting in measurable organic visibility improvements across all app properties.
- Optimized app listings, screenshots, descriptions, reviews strategy, and keyword targeting for all 17 apps, driving improved conversion rates and category rankings in the Shopify App Store.
- Used Claude Code to rapidly generate and deploy additional product pages, feature explainers, and use-case documentation, automating a significant portion of daily content production.
- Utilized Google Analytics 4, Google Lighthouse, SEMrush, and Ahrefs to monitor traffic, user behavior, and conversion funnels; iterating based on data-driven insights.

**SEO & Digital Marketing Specialist – StayRelive** **Feb 2023 - Nov 2025**

- Implemented and optimized marketing automation workflows across email and WhatsApp, improving user engagement and reducing manual efforts by 40%.
- Set up custom event-based triggers and segmentation rules to deliver personalized campaigns across the user lifecycle, enhancing retention and conversion metrics.
- Collaborated with cross-functional teams to design automated nurture journeys and drip campaigns, leading to a 20% increase in lead-to customer conversion rate.
- Develop targeted digital strategies aligned with company goals and audience needs.
- Created SEO-friendly and audience-centric content for websites, blogs, social media, and email, contributing to a 40% increase in organic traffic and a 12% improvement in time on site.
- Conduct SEO audits to improve website visibility and search engine rankings.
- Planned and executed email marketing campaigns with detailed segmentation and A/B testing, resulting in a 28% increase in open rates and a 20% boost in click-through rates (CTR)
- Utilize Meta Ads Manager to set up campaigns, including audience targeting, budgeting, and bid strategies driving a 45% increase in brand engagement.
- Monitor KPIs through tools like Google Analytics, providing regular reports and insights.

**Digital Marketing Executive, Smartinfologiks** **Jan 2022 - Jan 2023**

- Collaborate on graphics, videos, and multimedia content for campaigns.
- Manage social media, schedule posts, engage audience, and grow presence.
- Perform SEO, keyword research, app store optimization, and reputation monitoring, Optimize mobile app presence on app stores, and conduct keyword research.
